

Application No. 09/458,235

Reply to Office Action of February 12, 2002

New Claim 71 corresponds to the subject matter of Claim 50, but rewritten to define the subject invention in method format. No new matter has been added.

For the reasons noted in the amendment filed June 12, 2002, the present application is believed to be in condition for formal allowance, and an early and favorable action is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
